Minutes of Directors' Meeting July 31, 1991 (excerpt) MINUTES OF THE MEETING OF THE BOARD OF DIRECTORS OF READING BROADCASTING, INC.

A meeting of the Board of Directors of Reading Broadcasting, Inc. was held on Thursday, July 31, 1991 at 2:45 PM at the offices of the Corporation located at 1729 North Eleventh Street. Reading. Berks County, Pennsylvania.

Present were:

Robert Clymer, M.D. Jack A. Linton, Esquire Micheal Parker

representing the Directors of the Corporation.

Also present were:

H. Marvin Mercer, III--Bankruptcy Attorney (Kruseh, Evans & Byrne)
George Mattmiller--WTVE-TV 51 (Station Manager)

This meeting of the Board of Directors of Reading Broadcasting, Inc. immediately convened after the Board of Directors meeting of Save Our Tower, Inc. adjourned.

The Company

Micheal Parker opened the meeting with a discussion of the filing that was required with the FCC, transferring from a Debtor of Possession position to new ownership. He stated that the status of the stock held by Henry N. Aurandt, M.D. was still unresolved. He stated that he was going to file the amount of stock held by Dr. Aurandt in the Plan of Reorganization with the FCC. He stated that as long as there wasn't an ownership transfer amounting to more than 50 per cent of the stock, the terms will meet with the approval of the FCC.

A discussion ensued involving employees with claims. It was stated that virtually all the employees with claims will generated. There are some issues as yet unresolved, but the employees will either be entitled to stock, or 10 cents on the dollar.

Jack Linton understood Marvin Mercer to have said that these claims were barred after January 1, 1991.

Mike Parker wanted to tell everyone now so they knew the guidelines.

Dr. Clymer stated that it was fine with him.

Jack Linton urged that Dr. Aurandt be a part of the next meeting so that the stock issue could be resolved.

Dr. Clymer stated that he was supposed to get documentation for the loan, and that he's done nothing.

Jack Linton stated that he was part of the documentation.

A discussion of Administrative Creditors ensued. Also discussed was the payment to Administrative Creditors before the FCC approves the transfer of control.

Marvin Mercer inquired about what would happen if the FCC did not approve the transfer of control. Further, he inquired if there was even a transfer of control to begin with.

Jack Linton inquired about what constituted a transfer of control.

A discussion ensued involving percentages of shares held by the Shareholders and Meridian Bank.

Dr. Clymer stated that if the Corporation acted on advice of counsel, he was in favor.
